## **REHEARSAL LINK**

Have your kids practice at home! All our dances are posted on a google photos drive. Find your class and practice! (Link is also on our website) <https://photos.app.goo.gl/zEZNuJn2fDZNVGf69>

## **REHEARSALS & PERFORMANCES:**

Please note parents are not permitted backstage during recital or rehearsals. Please provide your child with water and lunch or a snack. Please do not send anything which may soil or stain the costumes.

BCDTA does provide a concession stand with drinks and snacks for \$2.00 per item at all stage rehearsals and performances. Students can order lunch with BCDTA to be delivered during the assigned lunch break. We know the rehearsals might seem long, but the kids have such a fun time being on stage and backstage with their friends!

## **ADMITTANCE TO BACKSTAGE AREAS DURING REHEARSALS/PERFORMANCES:**

For the safety of all students and staff, and to ensure smooth operations, no parents, grandparents, siblings, or other family members are allowed in backstage areas (including hallways, dressing rooms, and the stage) during rehearsals/performances. This policy helps minimize confusion and allows staff to maintain full awareness of everyone backstage. Please refrain from requesting exceptions. We have a dedicated team in place to monitor students and manage all processes. If you need to contact or locate a student during a rehearsal/performance, please see the front desk and they will assist you. Additionally, parents and family members are only permitted in the lobby during rehearsals and are not allowed in the auditorium. Thank you for your understanding and cooperation.

## **DROP OFF & PICK UP PROCEDURES:**

Parents are required to sign students in and out on the sign-in sheet located in the cafeteria at Maple Point Middle School. One parent may accompany their child into the dressing area to help them get set up for rehearsals or the show. However, once the rehearsal or show begins, all parents will be asked to leave. After the performance or rehearsal, we ask that one parent pick up their child in the dressing area. Please ensure that your child is set and cleaned up before exiting the dressing area promptly. Families will receive a wristband for Show Day. This wristband MUST be shown to enter the dressing room area—only one wristband per family. Without the wristband, you will NOT be allowed to enter the dressing room. For safety and efficiency, please use the front doors for entry and exit; the side doors are not permitted. Please be mindful of the time and exit the dressing rooms quickly, as other students and cast members will be coming in. Students ages 12 and older may exit the dressing rooms without a parent. Please arrange a meeting location in advance.

## **WHY THESE RULES?**

Our top priority is the safety of our students and ensuring they perform in the most professional environment possible. Each year, BC Discoveries takes on the significant responsibility of coordinating hundreds of students, parents, and guests. We do not take this responsibility lightly and ask for your cooperation in following these guidelines to help create a smooth and positive experience for all involved.

By working together, we can ensure that your children—our "stars"—will have an enjoyable and memorable performance. Thank you in advance for your understanding and support.

## **VOLUNTEER BOARD:**

A link for [signupgenius.com](https://signupgenius.com) will be sent via email at 10am the day tickets and recital extras go on sale. We ask that 1 person from each family volunteer a minimum of 1 time during the course of this semester. Please sign up only if you are able to fully commit to the time slot signed up for; inability to completely fulfill your volunteer slot will result in being charged the volunteer fee. Children 18 and under are NOT permitted behind volunteer booths and are NOT permitted to handle any money at rehearsals/show.

### **SUMMER CAMPS**

Register early for the BEST and LOWEST prices! New discount program this year...to get the best price register early! Please check out our website for a complete schedule and detailed information on Summer Camps! [www.bcdiscovers.com](http://www.bcdiscovers.com)

### **FREQUENTLY ASKED QUESTIONS:**

#### **What if my child has a costume change?**

Our staff and alumni will change them! No need to worry! They NEED A NUDE LEOTARD!

#### **What if my child has a quick or fast costume change?**

Please let us know once the list of songs is released. We will assign a changer to your child and they will do their quick change backstage and not in the cafe.

#### **Do I need a nude leotard?**

Yes! This is a Council Rock Policy! All students must be fully covered at all times as they are not allowed to turn off security cameras! This also protects the kids on stage incase of any costume mishaps! We don't want any slips getting caught on film! The nude leotard also helps with itchy costumes!

#### **Are Parents allowed on the stage/backstage?**

No! Only "Dance With Me" Adults that performing will be permitted backstage (not the dressing room) but they will have special backstage passes which are only valid during the opening number and then adults must return to their seats in the theater.

#### **Will "Dance With Me" adults have enough time to get to their seats after they dance?**

Yes! After "Dance With Me", Ms Kristina comes out to welcome all the families and introduces our amazing staff! This allows time for Adults to take their seats and students to change before the recital begins.

#### **How Long does the show run?**

We will not have an exact time until it gets closer to the recital, but we are hopeful for a 2.5 hour recital. There is no intermission. Please DO NOT get up for a bathroom break, snacks or to walk around while students are dancing on stage. There are blackouts and scene changes in the script which allow time for this.

#### **Will recital Tickets sell out?**

Most likely yes. Do not wait to buy your tickets. Once tickets sell out, there is nothing we can do.

**Should we wear our costume to the Recital?**

NO! This is like wearing a snowsuit in the car and a safety issue. Please change the kids when you get to the cafeteria.

**How does my child get on and off stage?**

We have an amazing system! Our staff and alumni will make sure your child is ready and doesn't miss their dances/scenes or songs. Parents can just sit back and relax in the theater and enjoy the show!
